

To SA Power Networks:

Authority to Connect – Electrical Work Declaration

This authority will be relied upon by SA Power Networks when connecting/reconnecting an installation in accordance with the Electricity (General) Regulations 2012, Section 55A, and is only to be used where it is not reasonably practicable to provide an electronic Certificate of Compliance (eCoC). The authority confirms that an eCoC has been issued for the electrical work/installation to be connected/reconnected.
