Version	Date	Author	Notes
1.0	1/07/2026	A Bhardwaj	Initial Release

1. Introduction

This document comprises of our regulated tariff rates, tariff mapping, metering charges and associated site charges. For information regarding the application of our tariffs please refer to our Tariff Structure Statement document.

The rates and charges contained in this document will apply from 1 July 2026. All prices listed are exclusive of GST.

2. Tariff Price Lists

The 2026/27 Tariff Schedule is listed below.

The schedules comprise of:

- Network Use of Service (NUoS) – Comprises Distribution and Transmission Use of Service and Jurisdictional Obligation Scheme
- Distribution Use of Service (DUoS)
- Transmission Use of Service (TUoS)
- Jurisdiction Obligation Scheme (JSO)
- Metering Charges

4. Power Factor – Excess kVAr Charges

Customers must comply with the South Australian Distribution Code requirements, in particular Part B Connection and Supply Contract Power Factor. If a customer installation is not compliant at times of their monthly peak demand, then an annual charge is applied.

All prices exclude GST.
