

## TS105 F1 - Authority to Proceed Request (ATPR) - For Electrical Contractor

<b>For Contestable Project Works (or) For Regulated Project Works</b>	<a href="#">TS105 Part A</a> and <a href="#">TS105 Part B</a> must be submitted with this form at least <b>10 business days</b> prior to commencement.
<b>For Major Project Works</b>	<a href="#">TS105 Part C</a> and <a href="#">TS105 Part D</a> must be submitted with this form at least <b>10 business days</b> prior to commencement.

### Note:

This form is for the **Electrical Contractor** who wishes to forward their request for **Authority to Proceed** for conducting electrical works on and or around SA Power Networks' infrastructure.

Please fill in your works details:	
<b>Site Location:</b>	
<b>Site Reference No. (If applicable)</b>	
<b>Proposed Works Commencement Date:</b>	
<b>Proposed Works Completion Date:</b>	
<b>Description of Works</b> (ie. nature of work intended to be carried out, any comments etc.)	

**SA Power Networks** reminds you of your responsibilities with respect to the following areas:

- You have **read** and **understood** all applicable [NICC404](#), [TS085](#) and [TS110](#), and any other project specific requirements.
- You have consulted and confirmed our requirements with relevant **Project Manager/Officer**.
- You have undertaken all **reasonably practical measures** to comply with SA Electricity Act 1996 and SA Electricity (General) Regulations 2012.
- You have **Safe Works Method Statement (SWMS)** in place, which is a requirement for **High Risk Construction Works** as specified in SA WHS Act 2012 & SA WHS Regulations 2012.
- SA Power Networks** will **not** be able to issue the **Authority to Proceed (ATPR)**, if:
  - the **Proposed Dates** as requested are **not** filled in; and
  - for, the **Contestable and Regulated Project Works**, the following (a), (b) & (c) are **not** submitted:
    - Material Compliance,
    - Final Easement Plan, and
    - Public Lighting Tariff Acceptance by Council.
  - for, **Major Project Works**, the following **reports not** submitted:
    - Manufacturer's, Supplier and or Installer's Material Compliance
    - Constructor's Installation and Testing Plan, and
    - For Construction drawings.
- the **Contestable Electrical Works** test **cannot** be booked with our **Compliance Group**, if the following (a) & (b) are **not** submitted:
  - A copy of the external Authority to Proceed, and
  - For Construction drawings.

## TS105 F1 - Authority to Proceed Request (ATPR) - For Electrical Contractor
